Re: Docket 2017-2-E: Annual Review of Base Rates for Fuel Costs for South Carolina  
Electric and Gas  
Request for Extension of Time Under Rider to Retail Rates, "Bill Credit Agreement"  
("BCA")

Dear Ms. Boyd:

On behalf of my client, Gregory Electric Company, Inc. and its subsidiary, Gregory Solar, LLC, ("Gregory Solar"), please accept this request for an extension of time from April 27, 2018 until and including August 25, 2018, to connect Gregory Solar's facility to South Carolina Electric & Gas ("SCE&G") system. Gregory Solar is a similarly situated entity as Solbright Energy Solutions, LLC and Charleston International Manufacturing Center and as such, Gregory Solar requests the same relief those entities were granted by the Commission in Orders No. 2018-189 and 2018-39-H respectively. The solar facility is located at EdVenture, Inc., 211 Gervais Street, Columbia, SC 29201 and Gregory Solar has a significant financial interest in the timely completion of the construction. Gregory Solar, however, has encountered time delays beyond its control and now realizes that it cannot connect its solar facilities to SCE&G's system in compliance with the April 27, 2018 date established in Order 2017-246.

I have discussed this with SCE&G's legal counsel and SCE&G is aware of and consented to this request for an extension of time from April 27, 2018, until and including, August 25, 2018. EdVenture, Inc. and SCE&G's legal counsel are copied hereon.

The Honorable Jocelyn Boyd

Because no other party will be prejudiced or adversely affected by Gregory Solar's request, and because Gregory Solar's request is consented to by SCE&G, I request that this matter be approved by the Commission, without formalities and without a hearing.

Please notify the undersigned if there is anything else you may need and this request is,

Respectfully Submitted,

/s/ John P. Boyd
